**Store in iCloud**

Store all files, photos, and messages in iCloud and save space by keeping only recent files and optimized photos on this Mac when storage space is needed.

Store in iCloud...

**Optimize Storage**

Save space by automatically removing Apple TV movies and TV shows that you've already watched and by keeping only recent email attachments on this Mac when storage space is needed.

Loading...

**Empty Trash Automatically**

Save space by automatically erasing items that have been in the Trash for more than 30 days.

Loading...

**Reduce Clutter**

Sort through documents and other content stored on this Mac and delete what is no longer needed.
